CHANGES

IMPORTANT CHANGES REGARDING OUR ANNUAL TOY PROGRAM

Due to the restrictions of the COVID-19 pandemic and the way our program is structured, we have had to make several major changes to this year's toy program. The biggest change is that we will not be taking applications. Instead, we will be partnering with the Salvation Army and their Angel Tree Program. If you are in need of toy assistance this year, please gather the information listed below and visit <https://SAAngelTree.org> to sign up.
